WE ARE A TEAM OF YOUNG INNOVATORS DRIVEN BY A SHARED BELIEF: EVERY CHILD DESERVES THE OPPORTUNITY TO GROW UP HEALTHY.

As we navigate a rapidly changing world, we recognize that the future of every generation begins with one of life's most essential foundations: proper and balanced nutrition. That belief inspired the creation of Sporky Maxi, a modern approach to child nutrition that is personalized, continuous, and powered by technology. To us, providing children with the right nutrition is about more than supporting their health today. It is about helping them learn, grow, and reach their full potential tomorrow.

MORE THAN JUST A MEAL

In today's world, providing nutritious meals is no longer just about satisfying children's hunger. It is about giving them the foundation they need to grow, learn, and thrive every day. Parents and schools share the same goal, to help every child reach their full potential. That journey begins with proper and balanced nutrition.

At Sporky Maxi, we partner with schools to create healthier generations. From nutritionally balanced meals and personalized menu planning to continuous growth monitoring, nutrition screening, and educational support, we provide an integrated nutrition ecosystem that helps children develop healthy habits both at school and at home.

"TOGETHER, LET'S SHAPE HEALTHIER GENERATIONS. . ONE CHILD, ONE MEAL, AND ONE SCHOOL AT A TIME."

PERSONALIZED NUTRITION MEAL PROGRAM

Every Sporky Maxi meal is personalized to meet each child's unique nutritional needs. **Each meal is prepared by experienced chefs, supervised by registered nutritionists, and integrated with the Sporky Maxi ecosystem** to support continuous monitoring of every child's growth and development.

Children need three balanced meals and two healthy snacks each day to support optimal growth and development. Meals are delivered according to each child's recommended eating schedule. After every meal, food consumption is recorded to help parents and nutritionists monitor eating habits, evaluate nutritional intake, and make personalized adjustments whenever needed. This data-driven approach enables continuous tracking of each child's nutritional progress and supports healthier growth over time.

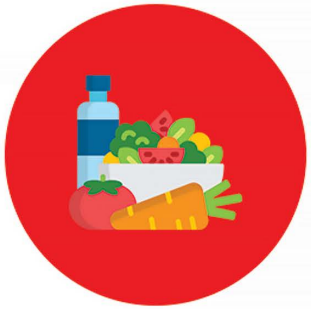
WHAT MAKES SPORKY MAXI DIFFERENT

Personalized Nutrition & Eating Habits

Every meal is tailored to each child's individual nutritional needs and eating habits, including food allergies and dietary preferences.

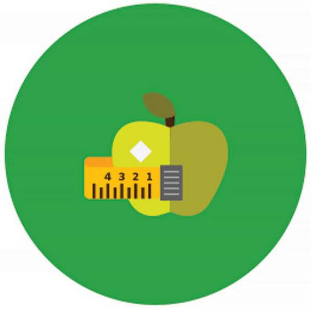


Supervised by Registered Nutritionists

Every menu is carefully planned and supervised by qualified nutritionists, ensuring that each meal is nutritionally balanced and prepared according to professional standards.

Children's Eating Habit Analysis

Parents receive regular insights into their child's eating patterns and nutritional habits through the Sporky Maxi program. These reports help identify food preferences, consumption trends, and opportunities to improve daily nutrition.



Personalized Nutrition Recommendations

Based on the eating pattern analysis, parents receive personalized recommendations to help improve their hild's dietary habits and ensure their daily nutritional requirements are met.

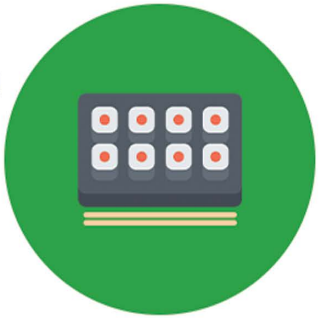
WHAT MAKES SPORKY MAXI DIFFERENT

Food Waste Monitoring

Parents receive reports on their child's leftover food consumption. These findings are evaluated by our nutrition team, who provide personalized recommendations to help ensure the child's daily nutritional needs continue to be met.

Food Bank Sample

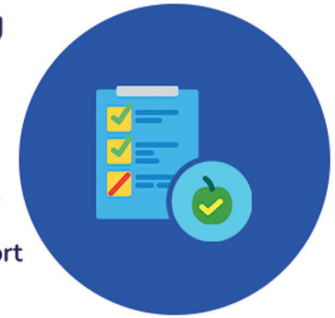
A sample of every meal is securely stored for **48 hours (2 × 24 hours).** In the unlikely event of a suspected food poisoning incident, the retained sample can be laboratory-tested to help identify the source of contamination.



Regular Nutrition Screening & Nutrition Education

Routine nutrition screening data is accessible to:

- Parents, who receive their own child's individual growth and nutrition reports.
- Schools, which receive aggregated growth and nutrition statistics to support student health monitoring and school wellness programs.



"HEALTHY MEALS + GROWTH MONITORING + NUTRITION EDUCATION AN INTEGRATED APPROACH THAT WORKS TOGETHER TO SUPPORT EVERY CHILD'S OPTIMAL GROWTH AND DEVELOPMENT.
